

SPORTING PARTIES

Let us play host so you can enjoy your day

OUR SERVICES

We can provide anything from a room for you and your dog for the night, a meal for you and your guests, private dining with a game menu in The Den with a table for 10 and a roaring fire to a package for the whole weekend. We have a gun safe and a dog shower perfect for the end of your day and can organise a choice of wines and port if required.

All room rates come with a cooked to order breakfast. We can offer special rates for group bookings or if breakfast is not required. Please give us a call to discuss your options if one of our example packages doesn't work for you.
