# A BIT ABOUT US... WE'VE BEEN FARMING IN ANSTY SINCE 1999!

## OUR FARMING ETHOS

As livestock farmers you will always see cattle & sheep around the farm, as well as our pedigree flock of Dorset Downs. We're also an organic farm & part of an environmental stewardship scheme, so look out for wild flower plots & wildlife margins.

## CAMPING & CARAVANING

10 hardstanding & 10 grass pitches overlook the farm & beyond with a very modern shower block.

## LOVELY LODGES

Our luxury log lodges are hidden amongst the Christmas trees by the stream each with their own hot tub & private decking.

## EVENTS!

From weddings to marathons we cater for events big and small. The Fox also holds a wedding license.

## THE FOX INN

We purchased the pub in 2019 and put as much of our own meat on the menu as possible sourcing everything else as locally we can.
